CHANGES TO HOSPITAL REFERRALS

There has been a big change in the way we refer patients. Instructions to book your appointment and Passwords are no longer being sent to your home address. They now have to be provided by us here at the Surgery. We kindly ask that this information is collected from reception. We will notify you when the information is ready for collection. Please be aware that you will not be able to make your appointment without it.

PRIME MINISTERS CHALLENGE FUND (PMCF)

Appointments can be made every evening and weekends via the Surgery. These will be held at the Bharani Medical Centre, Bath Road Cippenham and the Consulting GP will have access to your medical records.

**The Friends
and Family Test**

FRIENDS AND FAMILY TEST

The FFT is a feedback questionnaire that can be found in the waiting room area. The FFT is an important feedback tool across NHS services, it lets patients tell us what is working and what we can improve. Patients can feedback anonymously if they wish. Please fill in one of our FFT cards in the waiting room and post in the box provided. This can be done on every visit to Ragstone Road.
