

Bharani Group Practice

Flu Clinic 2020 – PATIENT INFORMATION

Due to the Covid-19 pandemic, this year's flu clinic will run differently to previous years. This is to allow for social distancing and also reduce your waiting time. Everyone will have an allocated appointment time and no walk-ins will be permitted.

Please note, no other GP services will be available at the flu clinic site. If you require anything further, please call your registered surgery.

- Your appointment will be at **Salt Hill Activity Centre, Bath Road, Slough** with one of the nurses from Bharani Medical Centre. Tel: 01753 969 720

Please go to Salt Hill Park Car Park and the Activity Centre is the large building to the opposite. The car park is on the left BEFORE you get to Kashmiri Karahi restaurant.

- Please wear a **face covering**
- Make sure you are not wearing too many layers, you will be asked to have your arm exposed ready for vaccination once you are in the building.
- **DO NOT** attend if you have any Covid-related symptoms (fever, cough, loss of smell/taste etc) or you are waiting for the results of a Covid test
- Please ensure you attend your appointment correct time, you will not be seen beforehand as we are keeping to a tight schedule to ensure the room is not overcrowded and that social distancing measures can be adhered to.

--THANK YOU--
